

Your Phoenix Society Membership

Phoenix is an acknowledged leader in the disability field and relies on support from the community.

For employees at Phoenix, being a member of the Society is very important. For those outside Phoenix, being a member is a practical way to show support for our work and keep up-to-date with our progress.

All members of Phoenix Society receive a copy of the Annual Report plus our informative quarterly newsletter 'Phoenix News' which includes information about new advances at Phoenix and our latest achievements.

Members also receive regular information about supporting our fundraising events. Ordinary and Associate members are entitled to vote at the Annual General Meeting.

We also appreciate any donations to help us continue our important work. **All donations (over \$2) are allowable deductions for taxation purposes.**

Your support is vital to our success in the coming year. Please use the form below to become a member, or to renew your current membership.

Thank You.
